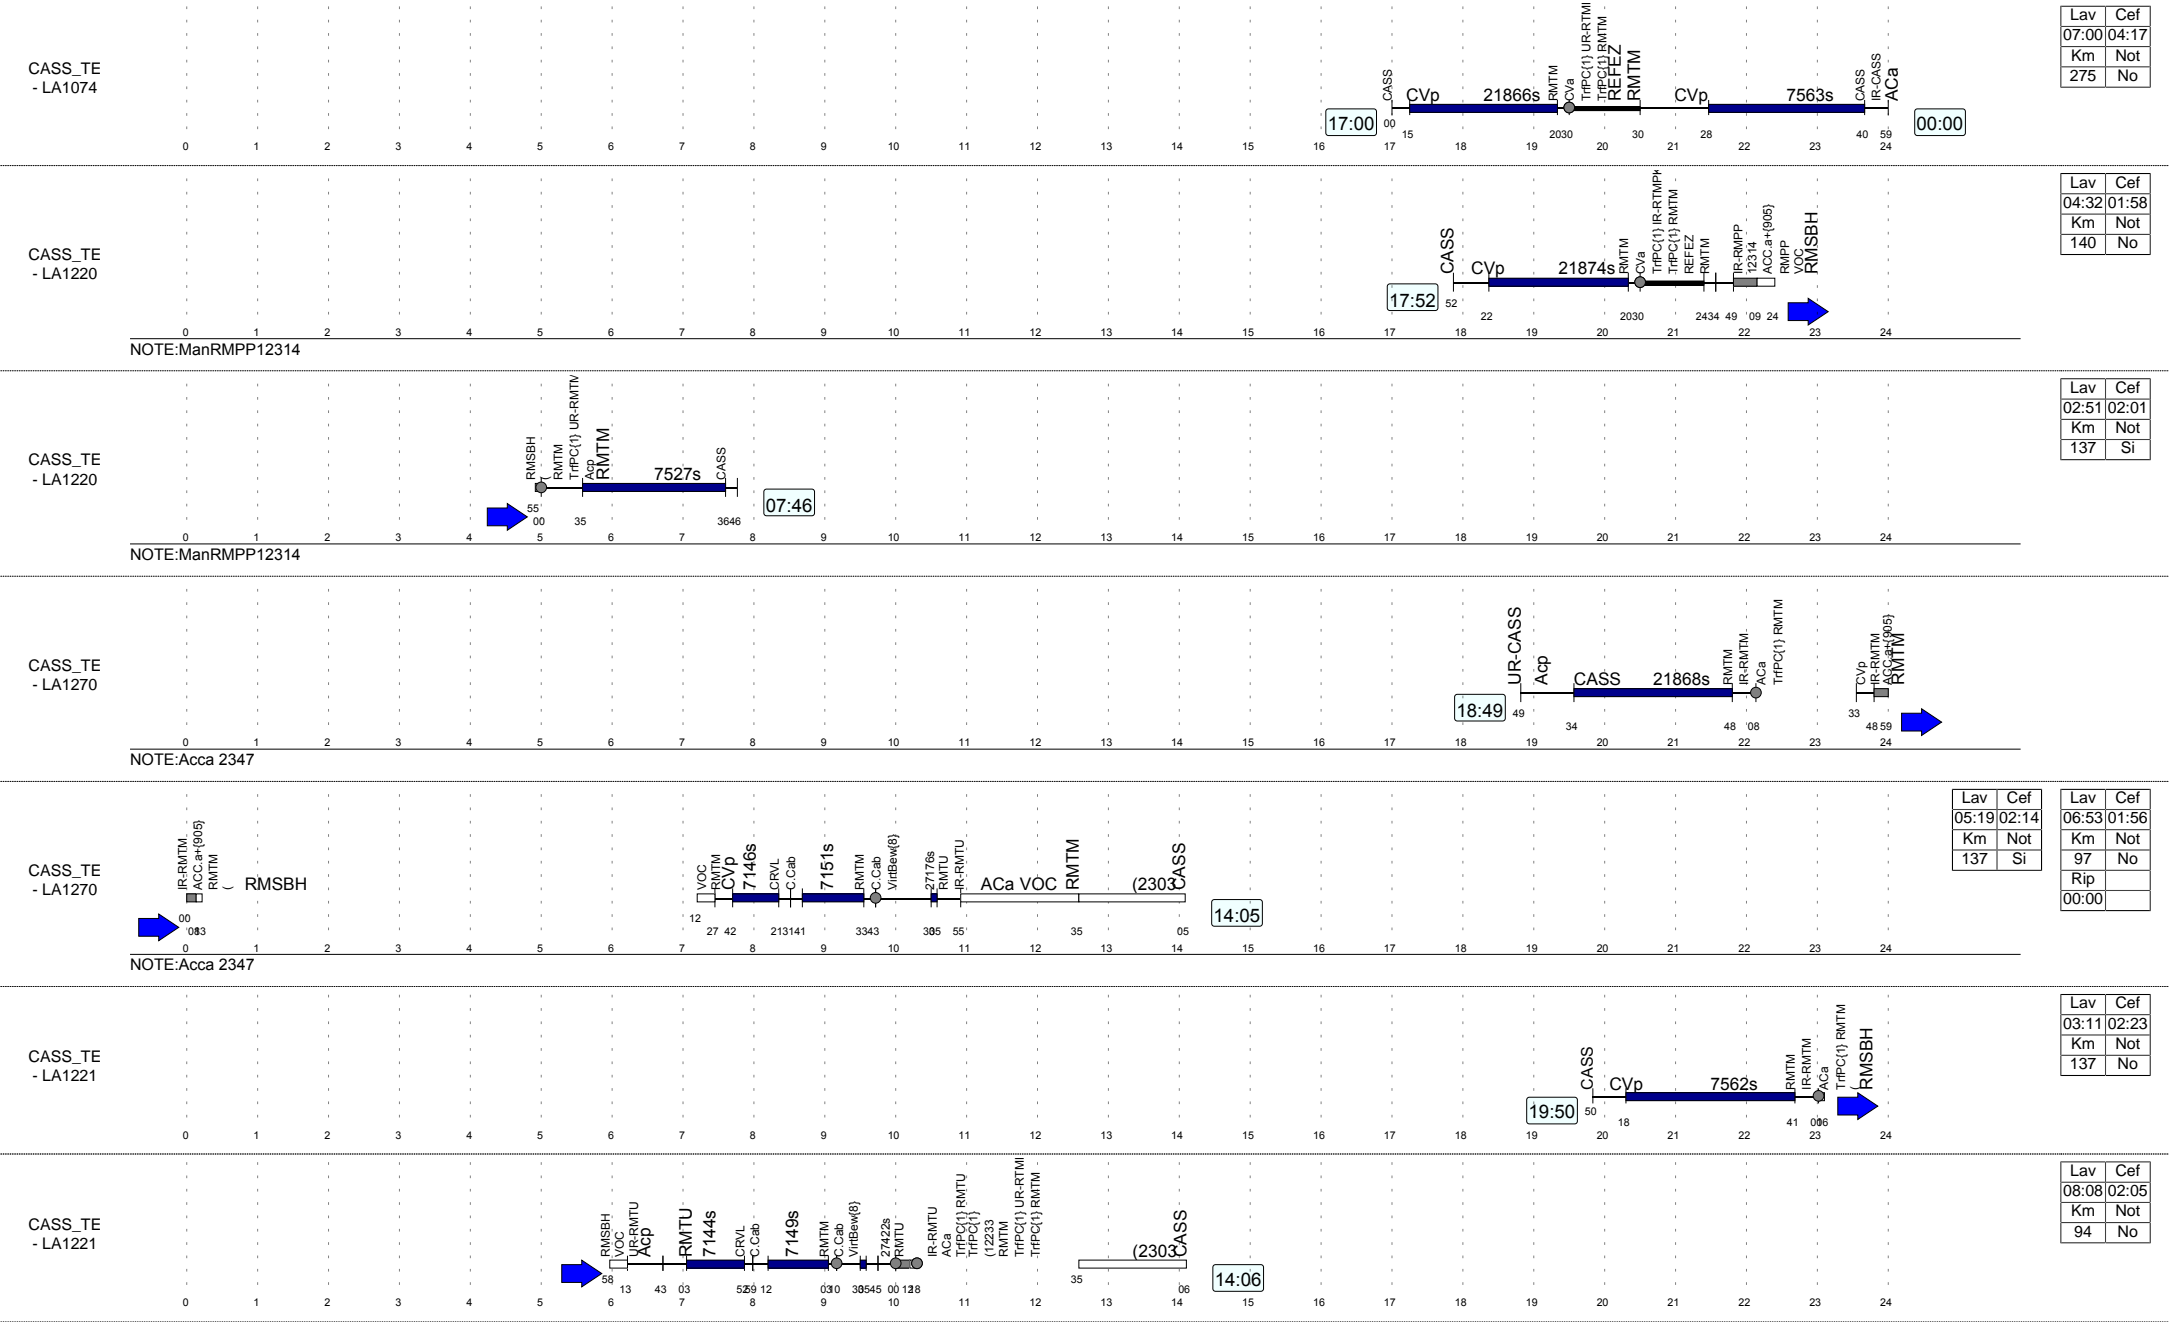

Figure 1 consists of two timelines, one above the other, both labeled "CASS - LA1243".

The top timeline shows a period from 21:32 to 01:30. A blue arrow points to the start at 21:32. A black bar labeled "CASS" spans from 21:32 to 01:30. A red bar labeled "RISRs" spans from 21:32 to 01:30. A table is located at the bottom right of the timeline.

The bottom timeline shows a period from 00:00 to 01:30. A blue arrow points to the start at 00:00. A black bar labeled "CASS" spans from 00:00 to 01:30. A red bar labeled "RISRs" spans from 00:00 to 01:30. A table is located at the bottom right of the timeline.

Both timelines have a horizontal axis with markers from 0 to 24. The top timeline has markers from 0 to 20, and the bottom timeline has markers from 0 to 24.

The table at the bottom right of each timeline is as follows:
